

WELCOME BACK

Dear cherished guests and employees,

It is with great pleasure that we announce the re-opening of a selection of Big Night venues.

Big Night has always been fiercely committed to providing safe and unparalleled dining and nightlife experiences to all our guests and employees and will continue to do so for many years to come.

Although this time apart has been difficult for everyone, it has given us opportunities to reconnect with many of our friends and family, and to reflect on all the years we have been fortunate to serve our amazing communities. We look forward to coming back bigger and better than ever and cannot wait to welcome you, our extended family, back through our doors once again.

With respect to the ordinances and precautions issued by the public health and government officials, we have strategically adjusted venue occupancies, distanced all tables, and have implemented rigorous sanitization procedures to help ensure the safety of everyone in our communities. We are open for business at this time, and will be accepting reservations with full hearts, all powered by our signature service and unrivaled hospitality.

As we strive to define and refine a new normal, we will continue to evolve and develop our best practices to bring you the best experiences in safe and comfortable environments. If at any time you feel as though we can improve your experience, please let us know. We depend on your feedback and will stop at nothing to ensure the comfort of our guests and staff.

For a full outline of safety measures or to make a future reservation, please visit us at BigNight.com

We thank you again for your support and look forward to seeing you.

- The Big Night Team
